Recommended Products: Essential for photocopying, use an [Impression Inker](#) in combination with your Oregon notary embosser to permanently ink the raised impression of your notary seal. This, however, does not make the use of the notary embosser compliant with State of Oregon requirements. We also carry another product that provides a sophisticated, professional look to your raised impression. Take a look at our self-adhesive [Gold Foil Seals](#) to add elegance to the documents that you notarize.
